Global Logistics Family

# Our vision - Our mission

## I. Vision

To become the leading provider of logistics services in Vietnam.

## II. Mission

To deliver trusted and quality forwarding & logistics solutions

To always strive for excellence beyond customer satisfaction

To develop long lasting customer relationships

To never deviate from the values of our success

# Core Values

PARIS LOGISTICS

PROFESSIONAL & LOGICAL

## Customers

Strong relationships with customers and partners remains the single most important part of our continued success. It is our commitment to ensure satisfaction for our customers. We will achieve this through long lasting, trusted relationships, and striving for excellence beyond satisfaction.

## Quality - Trust - Respect

We will always strive to deliver the highest quality service to ensure that our position remains premier in employee and customer satisfaction. We view trust as a common foundation for successful, enduring relationships. Trust fosters honesty, integrity and endurance, and we find it a successful ingredient in our operations and relationships.

We recognize that respect for others begins with respect for ones self. We are committed as a company to respecting our employees, customers and community.

## Professionalism

We are committed to the highest standards of professionalism. We are determined to deliver a superior experience our employees and customers find unmatched.

## Integrity and Honesty

Through personal responsibility of our actions and commitments, and fair and ethical treatment for all, we value integrity and honesty as a foundation of success
