

Round Table & Career Talk Series

01. Round Table Session

On the event day, the round table session can be utilized as a platform to introduce how your university support the career of your students. As random participants can join this session, you can also use this opportunity to introduce any career opportunities in your university. You can manage your discussion in the total duration of one hour.

02. Career Talk Series

Career talk series is specially designed to facilitate any representative of University to present a certain topic which related to career development. Each series will have a duration of one hour, hosted by VSEACF committee and will be conducted via Zoom meetings/webinar. This activity will be held in June 2022, few days before the event.
